## PL/VS, Career Choices-Family & Consumer Science

Morgan County Curriculum 4.1 High School, Final  
Morgan County School District

Upon reviewing assessment results, the Morgan County High School will help the student and parent to determine what courses their child needs to take during their high school career, utilizing the Individual Learning Plan (ILP)

### Health Education

**PERSONAL WELLNESS:** Wellness is maximum well-being or total health. Personal wellness is a combination of physical, mental, emotional, spiritual and social well-being. It involves making behavioral choices and decisions each day that promote an individual's physical well-being, the prevention of illness and diseases and the ability to remain physically, mentally, spiritually, socially and emotionally wellness. **NUTRITION:** Proper nutrition is critical to good health. To maintain a healthy weight, good dietary habits and physical activity are essential. Nutritious foods are necessary for growth, development and maintenance of healthy bodies.
